

Lanyard Tree Assembly Instructions

STEP 1	STEP 2	STEP 3	STEP 4	STEP 5
<p>Lanyard tree consists of 3 wooden pieces. Each piece fits easily together and can be assembled in minutes.</p>	<p>Take the 2 long pieces. Line up slot (A) at the top of one with the slot at the bottom of (B). Then slide them together into one another combining them into one 'tree trunk'.</p>	<p>Once the pieces are together, put the tree trunk stand into the bottom base.</p>	<p>Simply place the stand onto the bottom base (C). Align the bottom of the stand with the grooves in the bottom base to position the two together.</p>	<p>Once steps 1-4 are completed, enjoy your beautiful wooden lanyard tree!</p>
